Appointed by President Obama as Ambassador at the US Ministry of Energy

Thione Niang Biography

Named by Complex Magazine as one of the 10 Young Activists Who Are Changing The World in March 2013, Thione's personal journey is a testament to the power of dreaming big. Raised in a humble family of 28 in Senegal, West Africa, Thione arrived in the United States in July 2000 with \$20 in his pocket, no family, and very limited English. He worked as a busboy and sent money to family back home while saving to eventually earn a college degree. Eager to give back to the country that provided unlimited opportunity, Thione became engaged in politics while in college in Ohio. A natural leader, Thione served as the Chair of the Cuyahoga County Young Democrats, National Chair of the Young Democrats of America College Caucus, a
